Quality of Receipts Good--No Cattle Market.

The hog market yesterday was steady. The quality of the receipts was good. Compared with the day before, the qual-My was considerably better. The average weight of hogs was 242 pounds. There was a fair run of hogs. It was smaller than the same day a week ago, which was 983. There were over one hundred wagon hogs, which were of fairly good Quality. Chicago quoted the market as 10c lower, while hogs in Kansas City were 5 to 71/2 cents lower. The comparison with other western markets shows the strength of Wichita. While others are quoted as 5 to 7% cents and even o 20 cents lower, the Wichitz market Loids steady with yesterday, REPRESENTATIVE SALES.

The close was firm, May 160 ac up, at 65 c. Atlantic port clear-ances in wheat and flour were equal to 352,000 bushels. New York reported twelve loads taken for export. Primary receipts were 574,000 bushels, compared with 22,-600 bushels last year. Corn was firm and fairly active. The

buying was principally by interests cov-ering shipping sales. Cash business was large, one concern selling 80,000 bushels. The fluctuations of wheat influenced corn more or less throughout the session. Re-ceipts here were 623 cars. May closed

ceipts here were all cars. Gally closed MgNc up, at 185,5345c.

The cats market was steady and a fair amount of trade was done. The seaboard was reported a good buyer from receiving people here. Local receipts were 351 cars. May closed unchanged at 255c.

Provisions were irregular, firm in the middle, but easy at both ends of the ses-sion. Lower prices for hogs was the chief influence in the depression. Trade was dull. The bulge which carried the market to the high point for the day was due to light offerings for a time and buying by shorts. May pork closed 50774c under yesterday, at \$0.95 to \$10.875; May lard 25c lower, at \$0.06, and May ribs unchanged at \$5.97%. The Worst Female Complaint.

More women are suffering from leucorrhoea, or "whites", than from any other disease. If you have leucorrhoea you ought to cure it. You can stop the discharge and pain and feel like a new woman. You are missing half the pleasure of life and you have got so used to it that you don't know it. The first thing spoken of by almost evone cured by Wine of Carduli is how much they enjoy living—how different things seem. There is nothing which will drain the sap and life of a woman quicker than leucorrhoea—and there is nothing that will put it back quicker than Wine of Cardul. It stops the debilitating drains and tones up the whole system. It is unequaled as a womanly tonic. Taken with Black-Draught it will relieve any case of female trouble.

If you wish advice, write to the "Ladies' Advisory Department," of The Chattanooga Medicine Co., Chattanooga, Tenn., but above all, try Wine of Cardul.

Gowen, I. T., March 22, 1899.

I have been using Wine of Cardul for some time, and think it is the greatest medicine in the world for ladies. I was down three years from the "whites". I could hardly do my work, I was in such a bad condition. I tried all the doctors in town and nearly all the medicine the druggist had for women, but I got so bad I had to take to my bed. Finally a lady friend said Wine of Cardul would cure me, and my husband got me a bottle. It gave me so much relief I have never been without it since. I am well as I ever was in my life. I will do everything I can to get women to take Wine of Cardul.
